Dear Peter:

On behalf of the Delta Chelsea, please accept the following as our recommendation submission for the Ontario Chamber of Commerce, Ontario Business Achievement Awards/Business Excellence Award.

Over the past two years, we have been very pleased with our business relationship pertaining to the renovations in our south tower. As you can appreciate, issues related to budget, deadlines and a safe environment were top priority for this extensive project. Houston Construction met each of these with utmost professionalism. I would like to especially compliment your team's willingness to modify their plans, often with limited notice, to accommodate our guests' requirements.

We would consider Houston Construction for any future renovation projects, and I look forward to working with you again.

Best regards,

Robert Housez  
General Manager
